PRESS RELEASE

The Ambassador Extraordinary and Plenipotentiary of the Republic of Cameroon to the Republic of Italy: **H.E. Sebastien FOUMANE**,

Hereby, wishes to sincerely thank the Cameroonian Communities within his jurisdiction, for the warmth and unfettered support that many of them have shown him, ever since his arrival and partial assumption of duties at his Mission.

Despite the fact that the procedure for his complete installation and assumption of duties as Ambassador is still in process, he underscores that the networks developed through these primary contacts with the Community, have provided him with highly useful and profound insights on the nature of some of the complex consular issues faced by the said Community.

These issues are currently being studied diligently by the Mission.

In order to fine-tune the study and propose sustainably tailored solutions to some of these problems; the Ambassador would wish to undertake a contact tour of the jurisdiction, once there is an improvement of the stringent COVID-19 measures currently in force within the country. Thus, he invites all of us to be patient in the organization of these rendezvous, in respect of the Italian laws and regulations vis –a-vis this pandemic.

In this regard, all Cameroonian within the jurisdiction, are hereby entreated to continue observing all relevant consular rules and regulations, pending the contact tour.

The Ambassador counts on the understanding and the high sense of patriotism of members of our Community, in all its components.
